

Badger Club Policy 12 - Equal Opportunities and Special Needs

Our Club is committed to taking positive and proactive steps to ensure that we provide a safe and caring environment, free from discrimination, for everyone in our community.

The Club's equal opportunities procedures aim to help everyone involved in the Club to counteract and eliminate both direct and indirect discrimination in decision making, employment practices and service provision and to ensure that our services strive to achieve equality of opportunity for all.

The Club aims to provide a welcoming and caring environment that promotes and reflects cultural and social diversity and is equally accessible to all. The Club will endeavour to challenge any offensive behaviour, language or attitudes with regards to race, ethnicity, nationality, class, religion, culture, gender, language, sexual orientation, age and disability.

The Club recognises that achieving the objectives of our equal opportunities policy relies on the active involvement of parents/carers, as set out in the Partnership with Parents/Carers policy. As such, the Club will both welcome and encourage parents and carers to get involved in the running and management of the Club, and to comment on the effectiveness of its policies and procedures.

The Club is open to anonymous feedback from parents/carers about the service that the Club provides, as a means of monitoring the effectiveness of the equal opportunities policy. All feedback will be treated in uttermost confidence.

Equal Opportunities Procedures

To realise the Club's objective of creating an environment free from discrimination and welcoming to all, the Club will:

- Ensure that its services are open and available to all parents/carers and children in the school, subject to the availability of places.
- Ensure that issues of race, ethnicity, nationality, class, religion, culture, gender, language, sexual orientation, age and disability do not inhibit a child from accessing the Club's services.
- Treat all children and their parents/carers with equal concern and value.
- Have regard for promoting understanding, respect and awareness of diversity and equal opportunities issues in planning and implementing the Club's programme of activities.

All the Club's policies and procedures will be kept under review to ensure they do not operate in a discriminatory manner or in any way against its commitment to equal opportunities.

Special Needs

Our Club is aware that some children have special educational needs and/or physical disabilities, which require particular support and assistance. We are committed to taking appropriate action to make sure that all children are able to access our services, made to feel welcome, and that our activities promote their welfare and development.

The Club is committed to the integration of all children in its care. The Club also believes that children with special educational needs and/or physical disabilities have a right to play, learn and be able to develop to their full potential alongside other children. Whenever possible, children with special educational needs and/or physical disabilities will have access to the same facilities, activities and play opportunities as their peers. Everybody stands to gain if all children are allowed to share the same opportunities and are helped to overcome any disadvantages that they may face.

The policies, procedures and practices of the Club in relation to children with special educational needs and/or physical disabilities are consistent with current legislation and guidance.

The Club believes that by identifying individual needs and taking proactive steps alongside parents/carers and other statutory professionals or agencies, all children should be able to play a full, active and equal part in the Club's activities.

Special Educational Needs and Disability Co-ordinator (SENCO)

The Manager will appoint a member of staff as the Special Educational Needs and Disability Co-ordinator to manage provision for children with special educational needs and/or physical disabilities.

All members of staff will be expected to assist the designated SENCO in caring for children with special educational needs and/or physical disabilities. The Co-ordinator will:

- Manage the provision for children with additional needs or disabilities
- Access and disseminate training in the care and support for those children who need it.
