

Long Furlong Badger Club

Safeguarding Policy

Long Furlong Badger Club ('The Club') is committed to building a 'culture of safety' in which the children in our care are protected from abuse, harm and radicalisation.

The Club will respond promptly and appropriately to all incidents or concerns regarding the safety of a child that may occur. The Club's child protection procedures comply with all relevant legislation and with guidance issued by the Oxfordshire Safeguarding Children Partnership.

There is a Designated Safeguarding Lead (DSL) available at all times while the Club is in session. The DSL coordinates safeguarding and child protection issues and liaises with external agencies (eg Children's Social Care via the Multi-Agency Safeguarding Hub (MASH) and Ofsted).

The Club's designated DSL is Marie-Clothilde Hendy
The Deputy DSL is Gemma Burgess
Badger Club Committee Safeguarding Link is Naomi Murcutt

Safeguarding and promoting the welfare of children is defined as:

- Providing help and support to meet the needs of children as soon as problems emerge
- Protecting children from maltreatment, whether that is within or outside the home, including online.
- Preventing the impairment of children's mental and physical health and development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- Taking action to enable all children to have the best outcomes

Child abuse, neglect and exploitation

Child abuse, neglect and exploitation is any form of physical, emotional or sexual mistreatment or lack of care that leads to injury or harm. An individual may abuse, neglect or exploit a child directly, or by failing to protect them from harm. Some forms of child abuse, neglect and exploitation are listed below.

- **Emotional abuse** is the persistent emotional maltreatment of a child so as to cause severe and persistent adverse effects on the child's emotional development. It may involve making the child feel that they are worthless, unloved, or inadequate. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.
- **Physical abuse** can involve hitting, shaking, throwing, poisoning, burning, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may be also caused when a parent or carer feigns the symptoms of, or deliberately causes, ill health to a child.
- **Sexual abuse** involves forcing or enticing a child to take part in sexual activities, whether or not the child is aware of what is happening. This can involve physical contact, or non-contact activities such as showing children sexual activities or encouraging them to behave in sexually inappropriate ways.

- **Neglect** is the persistent failure to meet a child's basic physical and emotional needs. It can involve a failure to provide adequate food, clothing and shelter, to protect a child from physical and emotional harm, to ensure adequate supervision or to allow access to medical treatment.
- **Domestic Abuse:** Psychological, physical, sexual, financial, and emotional.

Signs of child abuse, neglect and exploitation

Signs of possible abuse, neglect and exploitation may include:

- significant changes in a child's behaviour
- deterioration in a child's general well-being
- unexplained bruising or marks
- comments made by a child which give cause for concern
- reasons to suspect neglect or abuse outside the setting, eg in the child's home, or that a girl may have been subjected to (or is at risk of) female genital mutilation (FGM), or that the child may have witnessed or be living with domestic abuse
- inappropriate behaviour displayed by a member of staff, or any other person. For example, inappropriate sexual comments, excessive one-to-one attention beyond the requirements of their role, or inappropriate sharing of images.

If abuse is suspected or disclosed

When a child makes a disclosure to a member of staff, that member of staff will:

- reassure the child that they were not to blame and were right to speak out
- listen to the child but not question them
- give reassurance that the staff member will take action
- record the incident as soon as possible (see *Logging an incident* below).

If a member of staff witnesses or suspects abuse, they will record the matter straightaway using the **Logging a concern** form. If a third party expresses concern that a child is being abused, we will encourage them to contact the Multi-Agency Safeguarding Hub (MASH) directly. If they will not do so, we will explain that the Club is obliged to and the incident will be logged accordingly.

All staff recognise that children may not feel ready or know how to tell someone that they are being abused, exploited or neglected and/or they may not recognise their experiences as harmful. This could be due to their vulnerability, disability or language barriers. They may also feel embarrassed, humiliated or are being threatened. Our staff recognise this and where they have any concerns about a child they will raise these with the designated safeguarding lead (DSL) without unreasonable delay.

Staff should feel comfortable to report any concerns to the DSL regardless of how insignificant they might be perceived, as these can help build a picture.

Female genital mutilation (FGM)

FGM is an illegal, extremely harmful practice and a form of child abuse and violence against women and girls. FGM is therefore dealt with as part of our existing safeguarding procedures. All of our staff receive training in how to recognise when girls are at risk of FGM or may have been subjected to it.

If FGM is suspected or disclosed

We will follow the same procedures as set out above for responding to child abuse and will make a report to the Multi-Agency Safeguarding Hub (MASH) directly and in line with existing safeguarding procedures and in line with our mandatory reporting duty. We will

make a report to the police by calling 101, the single non-emergency number, if it has been disclosed that either:

- a girl under 18 that an act of FGM has been carried out on her; or
- observe physical signs which appear to show that an act of FGM has been carried out on a girl under 18 and they have no reason to believe that the act was necessary for the girl's physical or mental health or for purposes connected with labour or birth.

Child-on-Child abuse

Children are vulnerable to abuse by their peers. Child-on-Child abuse is taken seriously by staff and will be subject to the same child protection procedures as other forms of abuse. Staff are aware of the potential uses of technology and the internet for bullying and abusive behaviour between young people.

Staff will not dismiss abusive behaviour as normal between young people. The presence of one or more of the following in relationships between children should always trigger concern about the possibility of peer-on-peer abuse:

- Sexual activity (in primary school-aged children) of any kind, including sexting
- One of the children is significantly more dominant than the other (eg much older)
- One of the children is significantly more vulnerable than the other (eg in terms of disability, confidence, physical strength)
- There has been some use of threats, bribes or coercion to ensure compliance or secrecy.

If child-on-child abuse is suspected or disclosed

We will follow the same procedures as set out above for responding to child abuse.

Extremism and radicalisation

All childcare settings have a legal duty to protect children from the risk of radicalisation and being drawn into extremism. There are many reasons why a child might be vulnerable to radicalisation, eg:

- feeling alienated or alone
- seeking a sense of identity or individuality
- suffering from mental health issues such as depression
- desire for adventure or wanting to be part of a larger cause
- associating with others who hold extremist beliefs

Signs of radicalisation

Signs that a child might be at risk of radicalisation include:

- changes in behaviour, for example becoming withdrawn or aggressive
- claiming that terrorist attacks and violence are justified
- viewing violent extremist material online
- possessing or sharing violent extremist material

If a member of staff suspects that a child is at risk of becoming radicalised, they will record any relevant information or observations on a **Logging a concern** form, and refer the matter to the DSL.

At The Club all staff are aware that abuse, neglect, exploitation and safeguarding issues are rarely standalone issues and events. In most cases multiple issues will overlap. Staff recognise that children might be at risk of harm inside and outside of their time in our club/setting, inside and outside of their home and whilst online. Our team exercise

professional curiosity to help identify early signs of abuse, neglect and exploitation and act early in cases where children might need our help or protection.

All staff at The Club are aware of the indicators of abuse, neglect and understand that children can be at risk of harm inside and outside of the school/college, inside and outside of home, and online. Staff exercising professional curiosity and knowing what to look for is vital for the early identification of abuse and neglect so that staff are able to identify cases of children who may be in need of help or protection.

All staff, but especially the designated safeguarding lead (and deputies) should consider whether children are at risk of abuse or exploitation in situations outside their families. Extra familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual abuse (including harassment and exploitation), domestic abuse in their own intimate relationships (teenage relationship abuse), criminal exploitation, serious youth violence, county lines and radicalisation.

All staff at The Club are aware that technology is a significant component in many safeguarding and wellbeing issues. Children are at risk of abuse and other risks online as well as face to face. In many cases abuse and other risks will take place concurrently both online and offline. Children can also abuse other children online, this can take the form of abusive, harassing, and misogynistic/misandrist messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography to those who do not want to receive such content. In all cases, if staff are unsure, they always speak to the designated safeguarding lead or a deputy.

Logging a concern

All information about the suspected abuse or disclosure, or concern about radicalisation, will be recorded on the **Logging a concern** form as soon as possible after the event. The record should include:

- date of the disclosure, or the incident, or the observation causing concern
- date and time at which the record was made
- name and date of birth of the child involved
- a factual report of what happened. If recording a disclosure, you must use the child's own words
- name, signature and job title of the person making the record.

The record will be given to the Club's DSL who will decide on the appropriate course of action. We recognise the close links that are shared between The Club and Long Furlong School. Where appropriate, concerns will be shared with the DSL at Long Furlong School. All concerns are logged electronically on the Badger Club system.

For concerns about **child abuse**, the DSL will contact MASH immediately in line with the local reporting procedures.. The DSL will follow up all referrals to MASH in writing within 48 hours. If a member of staff thinks that the incident has not been dealt with properly, they may contact MASH directly.

For minor concerns regarding **radicalisation**, the DSL will contact the Oxfordshire Safeguarding Children Partnership.

For more serious concerns the DSL will contact the Police on the non-emergency number (101), or the anti-terrorist hotline on 0800 789 321. For urgent concerns the DSL will contact the Police using 999.

Allegations against staff

If anyone makes an allegation of child abuse against a member of staff:

- The allegation will be recorded on an **incident record** form. Any witnesses to the incident should sign and date the entry to confirm it. The incident record form should be given to the DSL.
- The allegation must be reported to the Local Authority Designated Officer (LADO) immediately and to Ofsted within 14 days.
- The LADO will advise if other agencies (eg police) should be informed, and the Club will act upon their advice. Any telephone reports to the LADO will be followed up in writing within 48 hours.
- Following advice from the LADO, it may be necessary to suspend the member of staff pending full investigation of the allegation.
- If appropriate, the Club will make a referral to the Disclosure and Barring Service.
- If an allegation is made about the DSL, this should be passed to the Trustees of the Badger Club Charity; Lucy Harvey, Isabella Rey, Sarah Bench or Nicola Gladwell who will then contact the LADO and Ofsted.

Promoting awareness among staff

The Club promotes awareness of child abuse and the risk of radicalisation through its staff training. The Club ensures that:

- the designated DSL has relevant experience and receives appropriate training in safeguarding and the Prevent Duty, and is aware of the Channel Programme and how to access it
- DSLs receive Level 3 training every 2 years
- all staff receive safeguarding training meeting the requirements of EYFS Annex C, which is refreshed at a maximum of 2yr intervals. Training will be offered to all staff through accredited providers. Staff are supported to implement learning through supervision by the DSL and DDSL.
- all staff refresh their knowledge annually by reading Part One of Keeping Children Safe in Education with the support of the DSL.
- procedures to ensure only suitable individuals are recruited, including obtaining references before employment commences, conducting identity and qualification checks, and recording all vetting information as part of safer recruitment processes are understood and followed by all responsible for recruitment, in line with our Safe Recruitment Policy
- all staff have a copy of this **Safeguarding policy**, understand its contents and are vigilant to signs of abuse, neglect or radicalisation

- all staff are aware of their statutory duties with regard to the disclosure or discovery of child abuse, and concerns about radicalisation
- all staff receive basic safeguarding training, and safeguarding is a permanent agenda item at all staff meetings ensuring the whole team communicates well and are kept up to date
- all staff receive basic training in the Prevent Duty
- staff are familiar with the Safeguarding File which is kept in the Badger Club cupboard (locked out of hours).

- the Club's procedures are in line with the guidance in 'Working Together to Safeguard Children (2018)' and staff are familiar with 'What To Do If You're Worried A Child Is Being Abused (2015)'.
• staff are supported to understand how to keep themselves safe and how to blow the whistle should they be concerned about another adults behaviour or practise

- The DSL and DDSL's will provide support, advice and guidance to all practitioners on an ongoing basis, and on any specific safeguarding issue as required.

Use of mobile phones and cameras

Photographs will only be taken of children with their parents' permission. Only the club tablet will be used to take photographs of children at the Club, except with the express permission of the manager.

Neither staff nor children nor visitors may use their mobile phones or wearable technology such as smart watches to take photographs at the Club. For more details see our **Mobile Phone and Wearable Technology Policy**.

Contact numbers

Badger Club Designated Safeguarding Lead: Marie-Clothilde Hendy **07762 385760**

Local Community Support Service Worker: LCSS South **0345 2412608**
For non-immediate emerging safeguarding concerns

Multi-Agency Safeguarding Hub (MASH): **0345 050 7666**
For immediate concerns during office hours

Outside office hours call the Emergency Duty Team: **0800 833 408**
For immediate concerns outside of office hours

LADO (Local Authority Designated Officer): Jo Lloyd **01865 810603**
To report concerns involving an adult who works with children

Police: **101** (non-emergency) or **999** (emergency)
